

**MUNICIPAL WATER DISTRICT OF ORANGE COUNTY
DIRECTOR, DIVISION 4**

JOAN FINNEGAN

OCCUPATION: Director, Municipal Water District of Orange County, Division 4

I am Joan Finnegan and have been a Director, Vice-President, and President of Municipal Water District of Orange County (MWDOC) since 2000. From 1985 to 2000, I was Director, Vice-President, and President of Coastal Municipal Water District.

As your Director, I will strive for water quality, water reliability, and cost efficiency for Huntington Beach, Costa Mesa and all of Orange County. I am retired and have the time and desire to serve our communities.

I am a native Californian. My husband and I have owned our home for about 50 years. We raised our family here in Costa Mesa. I know how important healthy water supplies are to our families.

As Incumbent, I am not accepting any campaign contributions. While on the MWDOC Board, I voted against medical and retirement benefits for elected officials.

Previously, I worked for Mesa Consolidated Water District for 21 years. With my leadership experience on water related committees and groups, I will be able to provide ratepayers with the representation we expect and desire.

I'm here to serve you. Please feel free to call me at home (949) 548-3690.

Please vote to re-elect Joan Finnegan as Director of Municipal Water District of Orange County, Division 4. Thanks again for your support.
